1 IN 2 FAMILIES STRUGGLE WITH DIAPER NEED.

We Are Changing That.

Access to a sufficient supply of diapers is essential for the health of infants and toddlers, but too many families do not have the resources to adequately provide for this basic need.

Your support helps families gain financial flexibility to focus income on housing and other essential items.

Please Support Our Diaper Drive

**By Donating Diapers Sizes:
Newborn, 1, 2, 3, 4, 5, 6**

Due to safety guidelines, donations must be in their unopened, original packaging.
